#1.

**C#**                    **F**  
Suzie, baby, where are you..  
**F#**                                    **G#**  
have you left me, for, some..someone new?  
**C#**                                    **F**  
Is your lovelight, shining bright..  
**F#**                                    **G#**  
will you love me, or leave me tonight?

CHORUS:

**F#**                                    **G#**  
Suzie, baby, don t you know..  
**F#**                                    **G#**  
that I love you, and want you so.

#2.

**C#**                                    **F**  
Come back, baby, come back home..  
**F#**                                    **G#**  
say you love me, and never again roam.

(INTERLUDE:) **C# F F# G#..G#/F#/G#/F#/G#**

#3.

**C#**                                    **F**                                    **F#**  
Suzie, baby, I love you..say you ll come back  
**G#**  
and love, love me, too.

BRIDGE:

**F#**                                    **G#**                                    **F#**  
Since you left me, gone away..I ve been lonely,  
**G#**  
alone each day.

#4.

**C#**                                    **F**                                    **F#**  
Suzie, baby, where are you..have you left me,  
                                         **G#**                                    **C# F# C# G#**  
for some..someone new?

CHORUS:

**F#**                                    **G#**

Suzie, baby, don t you know..

**F#** **G#**  
that I love you, and want you so.

#4.

**C#** **F** **F#**  
Someday, baby, you ll be blue..and you ll  
**G#** **C# F# C#**  
wish that, you d, die, for me, too.
