(Intro) **A / D**

Girl, I ve got a little message for you

I want you to take heed

Listen it says a

(1st Verse) **A / D**

Men, they don t cry to dry their eyes,

or to make a teardrop, oh no

and I am not weeping, to keep from sleeping,

Girl, I wish you could stop

**Bm Bm7**

I was your man, a mountain of pride

**A**

You came along to change me inside

**Bm Bm7**

This heart of mine, ain t no windup toy

**E**

But I am still hanging around for you to enjoy

(Chorus)

**A**

I can t take it like a man,

**Ab**

I can t take it like a man,

**G F#**

I am heading nowhere, just as fast as I can.

**B**

I can t take it like a man,

**G**

I can t make it like a man,

**E E D C# B Bm E**

I need your lovin in the palm of my h a n d.

(Repeat progression for second verse and chorus!!)

Hearts don t break, to take the ache

that they re going through, oh no

If you re mistaken, my hearts breaking

because I love you

Oh love, if you care,

won t you please hurry back,

Keep me on the right track,  
Throw me some rope, don't let me drown,  
Please have a heart; this is my third time down,

(Chorus X 3/ Fade Out)  
I can't take like a man etc.

Please feel free to correct any mistakes!!! Thanks!!
