

Idaho
BoDeans

The whole song is

F#m **A** **E**

F#m **A** **E**
There s another brazen day

F#m **A** **E**
Things kind of move that way

F#m **A** **E**
Good Lord above, now He don t have to fuss,

F#m **A** **E**
Not for good-hearted people like us

F#m **A** **E**
Were staring at the world

F#m **A** **E**
From our own little Idaho
