I like the way you, **E** look at me with those beautiful eyes,

I like the way you, **E** act all surprised,

I like the way you, **E** sing along,

I like the way you, **E** always get it wrong,

I like the way you, **E** clap your hands,

I like the way you, **E** love to dance,

I like the way you, **E** put your hands up in the air,

I like the way you, **E** shake your hair,

I like the way you, **E** like to touch,

I like the way you, **E** stare so much,

B A B A
