I like the way you, **F** look at me with those beautiful eyes,

I like the way you, **F** act all surprised,

I like the way you, **F** sing along,

I like the way you, **F** always get it wrong,

I like the way you, **F** clap your hands,

I like the way you, **F** love to dance,

I like the way you, **F** put your hands up in the air,

I like the way you, **F** shake your hair,

I like the way you, **F** like to touch,

I like the way you, **F** stare so much,
