I like the way you, look at me with those beautiful eyes,  
I like the way you, act all surprised,  
I like the way you, sing along,  
I like the way you, always get it wrong,  
I like the way you, clap your hands,  
I like the way you, love to dance,  
I like the way you, put your hands up in the air,  
I like the way you, shake your hair,  
I like the way you, like to touch,  
I like the way you, stare so much,  
but most of all....  
Yeah..  
most of all....

I like the way you move.....  
I like the way you move.....

I like the way you, put your hands up in the air,  
I like the way you, shake your hair,  
I like the way you, like to touch,  
I like the way you, stare so much,

**Eb C# Eb C#**

but most of all....

**Eb C# Eb C#**

**C# C# C# C# C#**

most of all....
