live without em around me first

C Am
Remember when you found me I was spoken for,

With tape around my mouth and lying on the floor

All the weight was lifted, all my strength returned,

Butterflies sleeping in a hurricane,

To come and put a smile on the face in the earth.

Am D

Am D G Em G
That we together could set folks free!

C Am

C Am
A hurricane of joy has swept away my fears,
Dm G
I've built an ark for the purpose of
Dm G
Floods of passion and floods of love
Dm G
You can't stop them and nor can I
