

Long Life
Bombadil

[Intro]

C

[Verse 1]

G

C

I was born on a Wednesday

F

C

Don't yet know when I'll die

G

C

You know the thought, it terrifies me

F

C

So I just have one plea

C

[Chorus]

F

I want a long life

Am

Yeah, a long life

C

G

F

A long life for you and me

F

I want a long life

C

Yeah, a long life

C

G

C

A long life for you and me

C

[Verse 2]

G

C

Well the years are slipping by me

F

C

Like fish in a silver stream

G

C

Can't seem to catch 'em baby

F

C

And I wish you were here with me

G

C

So I hope you can believe in me

F

C

Even though it's gotten so damn hard

G

C

To be counting down the days until we get to

F

C

G

Wake up in each other s a-rms

G

[Chorus]

I m looking for a long life

Yeah, a long life

A long life for you and me

A long life

Yeah, a long life

A long life for you and me

C F F C C

[Bridge]

Everybody needs everything right now

Broke that wishbone in the garden

Swore we d make it somehow

So I can wait I m in no hurry to finish our

[Chorus]

Long life

Yeah, a long life

A long life for you and me

A long life

Yeah, a long life

A long life for you and me

A long life for you and me

A long life for you and me
