

Whats So Great About You  
Bombadil

[Intro]

C            E7    Am            F            Dm   G

[Verse 1]

C                            A  
The thing about you  
Dm            G  
Only you think you re special  
C                            A  
What s a person to do  
Dm                            G  
When there s no room on the pedestal?

[Chorus]

E7                            Am  
What s so great about you?  
                          F  
Forgetting, forgetting all that we ve been through  
Dm                            G  
And betting I wouldn t guess it s you know who

C            C            C            Dm   G

[Verse 2]

C                            A  
The thing about you  
Dm            G  
Only you have an ego  
C                            A  
What s a friend to do?  
Dm                            G  
I never thought you d stoop low

[Chorus]

E7                            Am  
What s so great about you?  
                          F  
Forgetting, forgetting all that we ve been through  
Dm                            G  
And betting I wouldn t guess it s you know who

Dm            G

[Bridge]

**C** **Am** **G**  
Think about all the dirty things you said, said about me  
**F** **C** **Am** **G**  
Think about all the dirty things you said, said about me  
**Dm** **G**  
What you said about me

**C** **A** **Dm** **G**  
**C** **A** **Dm** **G**  
**E7** **Am** **F** **Dm** **G**

**C** **Am** **G**  
Think about all the dirty things you said, said about me  
**F** **C** **Am** **G**  
Think about all the dirty things you said, said about me  
**Dm** **G**  
What you said about me

[Verse 3]

**C** **A**  
It s been more than a few  
**Dm** **G**  
Long days since our last hello  
**C** **A**  
Do your eyes water too  
**Dm** **G**  
From burning bridges everywhere you go?

[Chorus]

**E7** **Am**  
What s so great about you?  
**F**  
Forgetting, forgetting all that we ve been through  
**Dm** **G** **F** **Dm** **G** **C**  
And betting I wouldn t guess it s you know who
