

Leaving Blues
Bombay Bicycle Club

The tabs quite playable too, but I'm not sure how to write that up. So, chords -
and feel free to correct as this is just a run through. I'm not entirely sure about the middle section, but it's certainly close.

Capo 2

A **Em**
Now your back's to the road

A **Em**
The waiting's everything you know

G **D** **A**
I'm sure you know that I'm leaving

A **Em**
Riding home everyday

A **Em**
Sure in a cinematic way

A **Em**
Breathing the smoke of the train

A **Em**
Keep the side of you aflame

G **D** **A**
I'm sure you know that I'm leaving

Bm **A** **E**
Curse God for my regret

Bm **A** **E**
I miss you indefinite

Bm **A** **E**
Not once did I think that

D **A**
Love would stay till I come back

(Then as before)

Now your back s to the road
The waiting s everything you know
I m sure you know that I m leaving
