Bon Iver

[Verse 1]
C#
(It might be over soon, two two)
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
Where you gonna look for confirmation?
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
And if it s ever gonna happen
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
So as I m standing at the station
C# F#maj7   **F#maj7***   **C#**   **C#5 C#** x2
It might be over soon

[Verse 2]
(All these years)
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
There I found you marked in constellation (two, two)
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
There isn t ceiling in our garden
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
And then I draw an ear on you
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
So I can speak into the silence
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
It might be over soon (two, do, two)
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
(It might be over soon) two, two

[Instrumental]
C#   **G#***   **Bbm**   **C#**   **G#***   **Bbm**   **C#**   **G#***   **Bbm**

[Verse 3]
(And I m gonna shout all my trouble over)
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
Oh and I have carried consecration
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
And then you expelled all decision
C#   **F#maj7**   **F#maj7***   **C#**   **C#5 C#** x2
As I may stand up with a vision
G#*   **C#**   **F#maj7**   **F#maj7**   **G#***   **Bbm**
(Caught daylight,   goddamn right)
C#   **F#maj7**   **F#maj7***   **C#**
Within a rise there lies a scission
(It might be over soon)

[Instrumental]
C#   **G#***   **Bbm**   **C#**   **G#***   **Bbm**   **C#**
