

33 ?GOD?

Bon Iver

[INTRO]

Bb Dm Bb Dm

(When we leave this room it s gone)

[VERSE]

Bb Dm

Is the company stalling? We had what we wanted: your eyes

Bb

(When we leave this room it s gone) With no word from the former

Dm

I d be happy as hell, if you stayed for tea (I know so well that this is all there is)

Bb

This is how we grow now, woman a child ignored

Dm

These will just be places to me now The foreman is down (When we leave this room it s gone)

We re rising the stairs

Bb Dm

We find God and religions too

[VERSE]

Bb

Dm

Staying at the Ace Hotel If the calm would allow Then I would just be floating to you now

Bb

It would make me pass to let it pass on I m climbing the dash, that skin

[INTERLUDE]

(Here in this room, this narrow room where life began when we were young last night)

[VERSE]

F

Well we walked up on that bolt in the street

After you tied me in in the driveway of the apartment of his bed

Bb

Sent your sister home in a cab Said I woulda walked across any thousand lands
(No not really if you can't)

Dm

I didn't need you that night Not gonna need you anytime Was gonna take it as it goes

Bb

I could go forward in the light Well I better fold my clothes (I'll be looking through your eyes)

Dm

(I'll be looking through your eyes) All my goodness

Bb

(I'll be looking through your eyes)

Dm

(I'll be looking through your eyes) All my goodness to show

Bb

(Why are you so far from saving me?)

Dm

(Why are you so far from saving me?)
