[Verse 1]

Bb **Dm**
Down along the creek
F **Bb**
I remember something

Her, the heron hurried away
Bb **Dm** **Dm7** **F**
When first I breeched that last Sunday

[Verse 2]

Bb **Dm**
Low moon don the yellow road
F **Bb**
I remember something
Bb
That leaving wasn't easing
Dm **Dm7**
All that heaving in my vines
Bb **Dm** **Dm7**
And as certain it is evening at is NOW is not the Time
F
Ooh

[Verse 3]

Bb **Dm**
Toiling with your blood
F **Bb**
I remember something
Bb **Dm** **Dm7**
In A, un-rationed kissing on a night second to last
Bb
Finding both your hands
Dm **Dm7**
As second sun came past the glass
Bb
And oh, I know it felt right
Dm **F**
And I had you in my grasp

[Verse 4]

Bb **Dm**
Oh, then how we gonna cry

Dm **Bb**
Cause it once might not mean something
Bb
Love, a second glance
Dm **Dm7**
It is not something that we ll need
Bb **Dm** **Dm7**
Honey, understand that I have been left here in the reeds
Bb **Dm** **F**
But all I m trying to do is get my feet out from the crease

And I see you
Dm **F**
Turn around, you re my A-Team

Turn around now, you re my A-Team

You re my A-Team
