-----tabbed by ClassicManiac-----

(Capo 2)

[Intro chords]

(verse chords)

**G - C - C - Em - C**

**G**

Errant heat to the star

**C**

And the rain let in

**C**

**Em**

**C**

The hawser rolls, the vessel s whole and Christ, it s thin

**D**

**G**

Well I d know that you d offer

**D**

**C**

Would reveal it, though it s soft and flat

**Em**

Won t repeat it, cull and coffer s that

**G**

**Am**

For the soffit, hang this homeward

**Em**

Pry it open with your love

**D**

**C**

Sending lost and alone standing offers

**G**

It is steep, it is stone

**C**

Such recovery

**C**

**Em**

**C**

From the daily press, the deepest nest, in keeper s keep

**G**

All the news at the door

**C**

Such a revelry

**C**

**Em**

**C**

Well, it s hocked inside of everything you said to me

**D**

**G**

It was found what we orphaned

**D**

**C**

Didn t mention it would serve us picked

**Em**

Said your love is known

**G**

I m standing up on it

**Am**

Aren t we married?

**Em**

I ain t living in the dark no more

**D**

**C**

It s not a promise, I m just gonna call it

(still **C**)

Heavy mitted love

**G**

Our love is a star

**C**

Sure some hazardry

**C**

**Em**

**C**

For the light before and after most indefinitely
