

**Blood Bank**  
**Bon Iver**

**Ebm C#**  
Well I met you at the blood bank

**B**  
We were looking at the bags

**Ebm C#**  
Wondering if any of the colors

**B**  
Matched any of the names we knew on the tags

**F#**  
You said see look it that s yours

**C#/F#**  
Stacked on top with your brother s

**Ebm**  
See how they resemble one another

**B**  
Even in their plastic little covers

**B Ebm C#** (Hold chords)  
And I said I know it well

**F#**  
That secret that you knew

**C#/F#**  
But don t know how to tell

**F#**  
It fucks with your honor

**C#/F#**  
And it teases your head

**Ebm**  
But you know that its good girl

**B**  
Cause it s running you with red

**Ebm C#**  
Then the snow started falling

**B**  
We were stuck out in your car

**Ebm C#**  
You were rubbing both of my hands

**B**  
Chewing on a candy bar

**F#**  
You said aint this just like the present

**C#/F#**  
To be showing up like this

**Ebm**

As a moon waned crescent

**B**

We started to kiss

**B**

**Ebm**

**C#**

And I said I know it well

**F#**

That secret that we know

**C#/F#**

That we don't know how to tell

**F#**

I'm in love with your honor

**C#/F#**

I'm in love with your cheeks

**Ebm**

What's that noise up the stairs babe?

**B**

Is that Christmas morning creaks?

**B**

**Ebm**

**C#**

And I said I know it well

I know it well ...
