F **Am** **F** **G**
Crazy how I feel living without you inside this house that we built

F **Am** **F** **G**
Seems like the windows finally opened, letting the memories out

F **C**
Go on and love her, love her forever
F **G**
I will not tell her you told me too
F **C**
Youâ€™ll never know dear how much I love you
F **Am** **F** **C**
Lovinâ€™s for fools, lovinâ€™s for fools

F **Am** **F** **G**
Maybe youâ€™ll find me walking the garden looking for something pure

F **Am** **F** **G**
Roots that are growing deeper and deeper, maybe youâ€™ll pull them too

F **C**
Go on and leave here, leave here forever
F **G**
No one can make you do what you do
F **C**
Youâ€™ll never know dear how much I love you
F **Am** **F** **C**
Lovinâ€™s for fools, lovinâ€™s for fools
