**F** **Am F** **G**  
Crazy how I feel living without you inside this house that we built

**F** **Am F** **G**  
Seems like the windows finally opened, letting the memories out

**F** **C**  
Go on and love her, love her forever  
**F** **G**  
I will not tell her you told me too  
**F** **C**  
Youâ€™ll never know dear how much I love you  
**F** **Am F** **C**  
Lovinâ€™s for fools, lovinâ€™s for fools

**F** **Am F** **G**  
Maybe youâ€™ll find me walking the garden looking for something pure

**F** **Am F** **G**  
Roots that are growing deeper and deeper, maybe youâ€™ll pull them too

**F** **C**  
Go on and leave here, leave here forever  
**F** **G**  
No one can make you do what you do  
**F** **C**  
Youâ€™ll never know dear how much I love you  
**F** **Am F** **C**  
Lovinâ€™s for fools, lovinâ€™s for fools
