Armour let it through, borne the arboretic truth you kept posing

Am **G** **F**
sat down in the suit, fixed on up it wasn't you by finished closing

Am **G** **F**
ramble in the roots, had the marvel, moved the proof be kneeled fine s glowing

Am **G** **F**
storing up the clues, it had its sullen blue bruised through by showing

Am **G** **F**
settle past a patience where wishes and your will are spilling pictures

Am **G** **F**
water s running through in the valley where we grew to write this this scripture

Am
never gonna break, never gonna break

G **F**
not for a part in any gamut of the dark

Same chords as first verse

doubled in the toes annex it, it minute closed in the morning
did not lose it in the stack s stow, imma lay that call back on ya

you know it won t beseech you, we re laying in an open field
I will let you grow, no need to know this

so carry on my dear, what is clear up in the daylight is we re hung here
fall is coming soon, a new year for the moon and the Hmong here

[Chorus]

never gonna break, never gonna break
never gonna break, never gonna break
all that it seems
bellows tracing through the streams

never gonna break, never gonna break
never gonna break, never gonna break
all at its seams
swallows swelling for the beams
