Bon Iver

Obviously this song is actually played on piano - if you re playing it on piano the right hand is playing **F** and **C** throughout the song.

**C**

Climb

Is all we know

**Am**

When thaw

**F**

Is not below us

**Dm**

No can t grow up

**Am**

**F**

In that iron ground

**C**

**F**

Claire all too sore for sound

**C**

Bet

Is hardly shown

**Am**

Scraped

**F**

Across the foam

**Dm**

Like they stole it

**Am**

And oh how they hold it

**C**

**F**

Claire we nearly forfeit

**Dm**

**Am**

I I m growing like the quickening hues

**Dm**

**Am**

I I m telling darkness from lines on you

**F**

**Dm**

Over havens fora full and swollen morass young habitat!

**C**

**F**

All been living alone where the ice snap and the hold clast are known

**C**

Home

Were savage high

**Am**

Come

**F**

We finally cry

**Dm**

Oh and we don't it

**Am**

Because it's right

**C**

**F**

Claire I was too sore for sight

**Dm**

**F**

I were sewing up through the latchet greens

**Dm**

**F**

I un-peel keenness honey bean for bean

**F**

**Dm**

Same white pillar tone as with the bone street sand is thrown where she stashed  
us at

**C**

**F**

(All been living alone) All been living alone where the cracks at in the low  
part of the stoning
