Army Of One
Bon Jovi

```
    C
I m in this war
     Am
But got no gun
       F
Still standing strong
An army of one
    G
So sign me up
       C
I m a soldier

     C
I ve got a voice
       Am
that s all I need
   F
A beating heart inside of me
        G
I m an army of one
       C
I m a soldier

       C
These eyes hold no disguise
       Am
We re fighting for our lives
          F                              G
We re all trying to get back home tonight

C
Never give up
Never give up
Never
Am
Never give up
Never let up
Ever
F
Never give in
You re an army of one
C
Never give up
Never give up
Never
Am
Never forget
```

Where you re from
           F
Never give up
You re an army of one

C   **Am**
I can t hurt but I still feel
  F
I know that life s a battlefield
      G
When the times get tough
      C
I m a soldier

     C   **Am**
And when it s time to face the fight
     F
With just my shadow at my side
        G
I m an army of one
       C
I m a soldier

C
Never give up
Never give up
Never
Am
Never give up
Never let up
Ever
F
Never give in
You re an army of one
C
Never give up
Never give up
Never
Am
Never forget
Where you re from
           F
Never give up
You re an army of one

   C   **Am**
So don t apologize
F
Defend just being alive
We re all trying
                  G
To get back home tonight

C
Never give up
Never give up
Never
Am
Never give up
Never let up
Ever
F
Never give in
You re an army of one
C
Never give up
Never give up
Never
Am
Never forget
Where you re from
F
Never give up
You re an army of one
