Never forget

```
Army Of One
Bon Jovi
    C
I m in this war
But got no gun
Still standing strong
An army of one
    G
So sign me up
       C
I m a soldier
    C
I ve got a voice
       Am
that s all I need
A beating heart inside of me
I m an army of one
I m a soldier
These eyes hold no disguise
We re fighting for our lives
We re all trying to get back home tonight
C
Never give up
Never give up
Never
Am
Never give up
Never let up
Ever
F
Never give in
You re an army of one
Never give up
Never give up
Never
Am
```

```
Where you re from
Never give up
You re an army of one
I can t hurt but I still feel
I know that life s a battlefield
When the times get tough
I m a soldier
     C
                      Am
And when it s time to face the fight
With just my shadow at my side
       G
I m an army of one
      C
I m a soldier
Never give up
Never give up
Never
Am
Never give up
Never let up
Ever
F
Never give in
You re an army of one
С
Never give up
Never give up
Never
Am
Never forget
Where you re from
           F
Never give up
You re an army of one
  C
            Am
So don t apologize
Defend just being alive
We re all trying
```

To get back home tonight

```
C
Never give up
Never give up
Never
Am
Never give up
Never let up
Ever
F
Never give in
You re an army of one
