Army Of One
Bon Jovi

    C#
I m in this war
     Bbm
But got no gun
       F#
Still standing strong
An army of one
   G#
So sign me up
      C#
I m a soldier

    C#
I ve got a voice
      Bbm
that s all I need
  F#
A beating heart inside of me
      G#
I m an army of one
     C#
I m a soldier

     C#
These eyes hold no disguise
     Bbm
We re fighting for our lives
      F#   **G#**
We re all trying to get back home tonight

C#
Never give up
Never give up
Never
Bbm
Never give up
Never let up
Ever
F#
Never give in
You re an army of one
C#
Never give up
Never give up
Never
Bbm
Never forget

Where you re from
            F#
Never give up
You re an army of one

C#   Bbm
I can t hurt but I still feel
   F#
I know that life s a battlefield
        G#
When the times get tough
        C#
I m a soldier

        C#   Bbm
And when it s time to face the fight
      F#
With just my shadow at my side
          G#
I m an army of one
          C#
I m a soldier

C#
Never give up
Never give up
Never
Bbm
Never give up
Never let up
Ever
F#
Never give in
You re an army of one
C#
Never give up
Never give up
Never
Bbm
Never forget
Where you re from
            F#
Never give up
You re an army of one

   C#   Bbm
So don t apologize
F#
Defend just being alive
We re all trying
                  G#
To get back home tonight

C#
Never give up
Never give up
Never
Bbm
Never give up
Never let up
Ever
F#
Never give in
You re an army of one
C#
Never give up
Never give up
Never
Bbm
Never forget
Where you re from
        F#
Never give up
You re an army of one
