

## Army Of One

Bon Jovi

**D**

I m in this war

**Bm**

But got no gun

**G**

Still standing strong

An army of one

**A**

So sign me up

**D**

I m a soldier

**D**

I ve got a voice

**Bm**

that s all I need

**G**

A beating heart inside of me

**A**

I m an army of one

**D**

I m a soldier

**D**

These eyes hold no disguise

**Bm**

We re fighting for our lives

**G**

**A**

We re all trying to get back home tonight

**D**

Never give up

Never give up

Never

**Bm**

Never give up

Never let up

Ever

**G**

Never give in

You re an army of one

**D**

Never give up

Never give up

Never

**Bm**

Never forget

Where you re from

**G**

Never give up

You re an army of one

**D**

**Bm**

I can t hurt but I still feel

**G**

I know that life s a battlefield

**A**

When the times get tough

**D**

I m a soldier

**D**

**Bm**

And when it s time to face the fight

**G**

With just my shadow at my side

**A**

I m an army of one

**D**

I m a soldier

**D**

Never give up

Never give up

Never

**Bm**

Never give up

Never let up

Ever

**G**

Never give in

You re an army of one

**D**

Never give up

Never give up

Never

**Bm**

Never forget

Where you re from

**G**

Never give up

You re an army of one

**D**

**Bm**

So don t apologize

**G**

Defend just being alive

We re all trying

**A**

To get back home tonight

**D**

Never give up

Never give up

Never

**Bm**

Never give up

Never let up

Ever

**G**

Never give in

You re an army of one

**D**

Never give up

Never give up

Never

**Bm**

Never forget

Where you re from

**G**

Never give up

You re an army of one
