

Blaze Of Glory

Dm

I wake up in the morning

C9

And I raise my weary head

G

I ve got an old coat for a pillow

Dm

And the earth was last night s bed

F

I don t know where I m going

C9

Only God knows where I ve been

G

I m a devil on the run

A six gun lover

Dm

A candle in the wind

Dm

When you ve brought into this world

C9

They say you re born in sin

G

Well at least they gave me something

Dm

I didn t have to steal or have to win

F

Well they tell me that I m wanted

C9

Yeah, I m a wanted man

G

I m a colt in your stable

I m what Cain was to Abel

Dm

Mister catch me if you can

G

D

I m going down in a blaze of glory

G

D

Take me now but know the truth

G

D

I m going out in a blaze of glory

C9

Lord I never drew first

But I drew first blood

G

I m no one s sone

Call me young gun

Dm

You ask about my conscience

C9

And I offer you my soul

G

You ask if I ll grow to be a wise man

Dm

Well I ask if I ll grow old

F

You ask me if I ve known love

C9

And what it s like to sing songs in the rain

G

Well, I ve seen love come

And I ve seen it shot down

Dm

I ve seen it die in vain

G

D

Shot down in a blaze of glory

Take me now but know the truth

G

D

I m going out in a blaze of glory

C9

Lord I never drew first

But I drew first blood

G

I m no one s sone

Call me young gun

Dm

Each night I go to bed

C9

I pray the Lord my soul to keep

G

No I ain t looking for forgiveness

Dm

But before I m six foot deep

F

Lord, I got to ask a favor

C9

And I hope you ll understand

G

Cause I ve lived life to the fullest

Dm

Let this boy die like a man

G

Staring down a bullet

Dm

Let me make my final stand

G

D

Shot down in a blaze of glory
Take me now but know the truth

G

D

I m going out in a blaze of glory

C9

Lord I never drew first
But I drew first blood

G

I m no one s sone
Call me young gun
