I give you my word I fill you with promises,
E C#m E C#m
I give you anything you want I told you we could be more than friends.

You and me baby, live for the day and the dark of the night,
A B E C#m
Anxious for tomorrow, everything gonna be alright.

Baby it doesn't matter what they say,
E C#m E C#m
When they say, she's Bobby's girl, Jonny, you're playin' with dynamite.
E C#m E C#m
She's Bobby's girl, close the door baby, it'll be alright
E C#m E C#m
When I hear you on the telephone, my body trembles and my blood runs hot.
E C#m E C#m
You're so much more than a girl you bring me up when I'm not.
A B E C#m
You and me baby, on a magic carpet ride,
A B E C#m
We live for tomorrow, everything gonna be alright.
A B
It doesn't matter what they say,
E C#m E C#m
When they say, she's Bobby's girl, Jonny, you're playin' with dynamite.
E C#m E C#m
She's Bobby's girl, close the door baby, it'll be alright
