

Brokenpromiseland

Bon Jovi

Intro: Bm G A Em

Bm G
Angels falling from the sky
Em
Imagine that, imagine that
Bm G
Nobody getting out of here alive
Em
No turning back, no turning back
Bm G
Who s going to bail out all our shattered dreams?
Em
And scrape some truth off of these city streets
Bm G
No time for praying get up off your knees

Refrão:

Bm D
There s hope i know
A Em
Out on that lonely road
Bm G
Cause home is where you are
A
and where i am
Bm D
Breathe in, breath out
A Em
There s only now
Bm G A
And all i got i m holding in my hands
Em A
We re breaking out of brokenpromiseland

(Bm G A Em)

Bm G
Let s close our eyes and just disappear
Em
Slip through the cracks no looking back
Bm G
We ll get a million miles away from here
Em
And let the past just fade to black
Bm G
So what you learn to live with your regrets

Em

No need to fear what hasn't happened yet

Bm

G

Life will get you but you can't forget
