

Crazy Love
Bon Jovi

(INTRO)

D G D G

(VERSE)

D

The city sounds like a symphony

G

A cabbie screams obscenities

D

G

The horns are honking jazz in the night

D

Her street is lit like a Christmas tree

G

This place is my amphetamine

D

G

She junks me but it s alright

(BRIDGE)

Em

C

In her summer dress she parts the sea

Em

C

Her hair wrapped up in rosary beads

Em

A

Everyone else is gone but her and me

(Chorus)

D

G

Here she comes, it s crazy love

D

Here it comes again

G

That crazy thing called love

D

G

Here she comes, it s crazy love

D

F#m A

Here it comes again

(VERSE)

D

Sitting on my stoop

G

I lit one up and put the ashes in my coffee cup

D

G

And watched the world passing me by

D

Throw a coat of paint on this rusty heart

G

Ain't it funny how life imitates art

D

G

Saint Valentine he's got bloody knees tonight

(BRIDGE)

Em

C

But when she's walking down the street

Em

A

The sidewalk's there to kiss her feet

(Chorus)

D

G

Here she comes, it's crazy love

D

Here it comes again

G

That crazy thing called love

D

G

Here she comes, it's crazy love

D G

Here it comes again

((BRIDGE))

Bm

Bm/A

She needs me, pleads me

G

D

Wraps me in her loving charms

Bm

D

She'll tease me, squeeze me

A

But I'm the man when I'm in her arms

((Solo))

D G D G

D Em A

((VERSE))

D

Now the angels sing a melody

G

That they wrote for her explicitly

D

G

That no one hears but her and me

((TALK))

(E A)--> go playing these chords and talk!

Now wait a minute? wait I can't believe my eyes

Who's that coming around the corner?

Ay, she's lookin' fine ain't she? ? get out the way!

No, no, no get out the way? look at those high heel sneakers?

((Chorus))

E

Here she comes, it s crazy love

A

Here it comes again

E

A

That crazy thing called love

E

A

Here she comes, it s crazy love

E

A

That crazy thing called love
