

Goodnight New York

Bon Jovi

[Verse 1]

G
Morning comes crashing like a rock through a window
N.C.
Jackhammer banging on the hot concrete

D
Take your stand (hey!)
N.C.
Move it, man!
N.C.
It s a backtalk, sidewalk symphony

G
Uber cars, yellow cabs, thick as smoke
N.C.
Painted girls and meter maids will leave you broke

D
Sax man blowing shooting through my veins
C
There s a rhythm to the rocket that s intoxicating

[Chorus]

G
Goodnight New York, goodnight

D
Don t ever close your eyes

C
If these streets could talk,
