

Happy Now  
Bon Jovi

**G**

What would you say to me

**Bm**

If I told you I had a dream

**Em**

If I told you everything

**C**

Would you tell me to go back to sleep

**G**

Take a look in these tired eyes

**Bm**

They re coming back to life

**Em**

I know I can change, got hope in my veins

**C**

I tell you I ain t going back to the pain

**G**

Can I be happy now?

**Bm**

Can I let my breath out

**Em**

Let me believe I m building a dream

**C**

Don t try to drag me down

**G**

I just wanna scream out loud

**Bm**

Can I be happy now?

**Em**

Went down on my knees I learned how to bleed

**C**

I m turning my world around

**G**

Can I be happy now

**Bm**

Can I break free somehow

**Em**

I just wanna live again, Love again

**C**

Take my pride off off of the ground

**G**

I m ready to pick a fight

**Bm**

Crawl out of the dark to shine a light

**Em**

I ain t throwing stones, got sins of my own

**C**

[...] everybody just trying to find their way home

**G**

Can I be happy now?

**Bm**

Can I let my breath out

**Em**

Let me believe, I m building a dream

**C**

Don t try to drag me down

**G**

I just wanna scream out loud

**Bm**

Can I be happy now?

**Em**

Went down on my knees, I learned how to bleed

**C**

I m turning my world around

**Am**

**D**
