I M WITH YOU - BON JOVI

D#m F#m C# G#

VERSE 1

D#m F#
Look at this world
C# G#
it s filled with worn out faces
D#m F# C# G#5
forgotten places and nothing changes
D#m F# C# G#5
Whatever happened to that new day rising
D#m F# C# G#5
we re just surviving and living is dying
B F# C#
Aren t you tired of being let down
B G# C#
another day, another shakedown
I m With You

CHORUS

D#m B F# C#
When hope is gone and all you want is the truth (I m With You)
D#m B F# C#
You carry on when it seems no use
D#m B F# C#
I m With You
D#m B F# C#
If I got one thing I got something to prove
D#m B F# C#
We all got nothing if there s nothing to lose (I m With You)

VERSE 2

I walk in shadows that seem all familiar
I ve read the papers, a live forsaken
I m an awful sale sign

Down on Main Street you just walk by
How many times you gotta break down
Before somebody s gonna shout out
I m with you

CHORUS

Hope is gone and all you want is the truth (I m With You)
You carry on when it seems no use
I m With You
If I got one thing I got something to prove
We all got nothing if there s nothing to lose (I m With You)

[Guitar Solo] :

D#m F# C# G# x4

FINAL CHORUS

D#m **B** **F#** **C#**
 When hope is gone and all you want is the truth
D#m **B** **F#** **C#** **G#5** **A#5** **C** **D**
 You carry on when it seems no use, it seems no use
 D#m **B** **F#** **C#**
 If I got one thing I got something to prove
 D#m **B** **F#** **C#**
 We all got nothing if there s nothing to lose (I m With You)
 I m with you...
