

**Into The Echo**  
**Bon Jovi**

[Intro]

**Dsus2 Dsus2/C# G6**

[Verse 1]

<b>Dsus2</b>	<b>Dsus2/C#</b>
When it hurts just to talk, and it s too dark to see	
<b>G6</b>	<b>Dsus2</b>
When my heart s just a hole full of want, full of need	
<b>Dsus2</b>	<b>Dsus2/C#</b>
Stuck at a stoplight, hands gripping the wheel	
<b>G6</b>	<b>Dsus2</b>
Tears fill your eyes and you bleed just to feel	
<b>Asus4</b>	<b>Em7</b>
Someone beside you, someone to cry to	

[Chorus]

<b>Dsus2</b>	<b>Dsus2/C#</b>	
Into the echo, we shout our dreams		
<b>Dsus2</b>	<b>G6</b>	
Into the echo, we throw our hearts		
<b>Csus2</b>	<b>G6</b>	
Into the echo, we send our love		
<b>Bm</b>	<b>Em7</b>	<b>G6</b>
Into the echo, to the echo, into the echo		
<b>Dsus2</b>		
To hear it back		

[Verse 2]

<b>Dsus2</b>	
Are you who you are	
<b>Dsus2/C#</b>	
What s under that mask	
<b>G6</b>	<b>Dsus2</b>
Do you burn for the future or yearn for the past	
<b>Dsus2</b>	<b>Dsus2/C#</b>
Did somebody send you, some broke fairy tale	
<b>G6</b>	<b>Dsus2</b>
Now you wait by the water for a ship that has sailed	

[Chorus]

<b>Dsus2</b>	<b>Dsus2/C#</b>
Into the echo, we shout our dreams	
<b>Dsus2</b>	<b>G6</b>
Into the echo, we throw our hearts

Into the echo, we send our love
