

Into The Echo
Bon Jovi

[Intro]

Dsus2 Dsus2/C# G6

[Verse 1]

Dsus2	Dsus2/C#
When it hurts just to talk, and it s too dark to see	
G6	Dsus2
When my heart s just a hole full of want, full of need	
Dsus2	Dsus2/C#
Stuck at a stoplight, hands gripping the wheel	
G6	Dsus2
Tears fill your eyes and you bleed just to feel	
Asus4	Em7
Someone beside you, someone to cry to	

[Chorus]

Dsus2	Dsus2/C#	
Into the echo, we shout our dreams		
Dsus2	G6	
Into the echo, we throw our hearts		
Csus2	G6	
Into the echo, we send our love		
Bm	Em7	G6
Into the echo, to the echo, into the echo		
Dsus2		
To hear it back		

[Verse 2]

Dsus2	
Are you who you are	
Dsus2/C#	
What s under that mask	
G6	Dsus2
Do you burn for the future or yearn for the past	
Dsus2	Dsus2/C#
Did somebody send you, some broke fairy tale	
G6	Dsus2
Now you wait by the water for a ship that has sailed	

[Chorus]
