LIVING IN SIN

E
I don't need no license
to sign on no line
and I don't need no preacher
to tell me you're mine

A
I don't need no diamonds
I don't need no new bride

E
I just need you, baby
to look me in the eye

E
I know they have a hard time
and you're Daddy don't approve
but I don't need your Daddy
telling us what we should do

G
Now there's a million questions

A
I could ask about our lives

G
but I only need one answer

A **B**
to get me through the night
so, I say

E
Baby, can you tell me

A **E**
just where we fit in

A **E**
I call it love

B
they call it living in sin

C#m
is it you and me

A **E**
or just this world we live in

A **E**
I say we're living on love

B **A**

they say we're living in sin

E

Is it right for both our parents
who fight it out most nights
then pray for God's forgiveness
when they both turn out the lights

A

Our wear that ring of diamonds
when your heart is made of stone

E

you can talk but still say nothing
you stay together but alone

G

Or is it right to hold you

A

and kiss your lips goodnight

G

they say the promise is forever

A

B

if you sign in on the dotted line

E

Baby, can you tell me

A

just where we fit in
