

## My Guitar Lies Bleeding In My Arms

Bon Jovi

My guitar lies bleeding in my arms  
(J.B.Jovi & R.Sambora)

from the Bon Jovi album These Days 1995

Use Capo on 3rd fret. If it is too high to sing, just play without capo.  
Note that the part before solo is recorded with guitars tuned down, so that what you play can't sound like that doubled, lower sound on disc. If I have time I will try the intro and solo's too,....

Intro **Em G Em G**

Verse 1

**Em G**  
Misery likes company, I like the way that sounds  
**Em G**  
I've been trying to find the meaning, so I can write it down  
**Em G**  
Staring out the window, it's such a long way down  
**Em G**  
I'd like to jump, but I'm afraid to hit the ground

Chorus

**D C Am Em**  
I can't write a love song the way I feel today  
**D C Am Em**  
I can't sing no song of hope, I got nothing to say  
**D C Am Em**  
Life is feeling kind of strange, since you went away  
**D C B**  
I sing this song to you wherever you are  
**C D Em (D C Bm A9 G G(F#))** not before solo)  
As my guitar lies bleeding in my arms

Verse 2

I'm tired of watching TV, it makes me want to scream  
Outside the world is burning, man it's so hard to believe  
Each day you know you're dying from the cradle to the grave  
I get so numb sometimes, that I can't feel the pain

Chorus

I can't write a love song the way I feel today  
I can't sing no song of hope, I've got nothing to say  
Life is feeling kind of strange, it's strange enough these days  
I send this song to you whoever you are  
As my guitar lies bleeding in my arms

Solo **A E D B** (7x) **A E A E** | **C D Em** (4x) | **D C Bm A9 G G(F#)**

Verse 3

Staring at the paper, I don t know what to write  
I ll have my last cigarette-well, turn out the lights  
Maybe tomorrow I ll feel a different way  
But here in my delusion, I don t know what to say

Chorus

I can t write a love song the way I feel today  
I can t sing no song of hope, I ve got nothing to say  
And I can t fight the feelings that are burning in my veins  
I send this song to you wherever you are  
As my guitar lies bleeding

Chorus

I can t write a love song the way I feel today  
I can t sing no song of hope, there s no one left to save  
And I can t fight the feelings buried in my brains  
I send this song to you wherever you are  
As my guitar lies bleeding in my arms  
As my guitar lies bleeding in my arms  
As my guitar lies bleeding in my arms

**C D Em** (5x) **D C Bm A9 G G(F#) Em**

special chords **A9** x02200 **G(F#)** 2x0003
