C

You also here this little riff played during the intro:

e---5-----5----- (and it goes on

B----6---8---6-----6---8---6-- like that)

G-----

D-----

A-----

E-----

Here are the lyrics of this beautiful song:

She s A Mystery - Crush

She won't let me buy her jewellery
She don't want things that she can keep
She wears wildflowers in her hair
Then throws them in the sea
She's the beginning and the end of me

chorus:

She's a mystery
My most beautiful regret
I will never understand her
She's a mystery
The only promise I can keep
Even in my dreams she ruins me

I still don't know what to call her
She says that words don't mean a thing
She changes her name every day
And lies all the time
I feel lucky to call her mine

She's a mystery
My most beautiful regret
I will never understand her
She's a mystery
The only promise I can keep
Even in my dreams she ruins me

bridge:

She's anything in the world
That you cannot explain
But when she throws me a smile
It's fire in the rain

She's a mystery
My most beautiful regret
Cause she's a mystery
The only promise I can keep
Even in my dreams she ruins me
She's a mystery
There's no defence
It's innocence
But she won't let you see
Cause she's a mystery
