I worked this out by ear only, pretty easy but not correct
anyway there it goes. Feel free to correct me

SOMETHING TO BELIEVE IN (These Days)

Em C G D

I lost all faith in my God, in his religion too
I told the angels they could sing their songs to someone new

(Em C G D)

I lost all trust in my friends, I watched my heart turn

to stone

I thought that I was left to walk this wicked world alone (Em

Tonight I ll dust myself off

D

Em

Tonight I ll suck my gut in

C

I ll face the night and I ll pretend

C

I got something to believe in

Em C G D

And I had lost touch with reason
I watched life criticize the truth
Waiting for a miracle
I know you have too

C G D Em

Though I know I won t win, I ll take this one on the chin

C G

We ll raise a toast and I ll pretend

D

I got something to believe in

If I don t believe in Jesus, how can I believe the Pope

Em

C

If I don t believe in heroin, how can I believe in dope

G

D

If there s nothing but survival, how can I believe in sin

In a world that gives you nothing, we need something to believe
in... to believe in
