Top down and nothin but time  
          **G**                                  **D**  
Radio s on and your by my side  
          **C**  
Feels something like summertime

Part1----- (2)

### VERSE 1

**G**                                  **D**  
These days life goes like this  
          **Em**                                  **C**  
Wake up, check that off of some list  
          **G**                                  **D**  
Gotta be a little something more than this  
          **Em**                                  **C**  
The bottom of my coffee cup  
          **G**                                  **D**  
I keep a, postcard in the back of my mind  
          **Em**                                  **C**  
White sand, sunshine  
          **G**                                  **D**  
And you shining like a brand new diamond  
          **Em**                                  **C**  
It s keeping me from giving up  
          **D**  
Thinking like I had enough
