

The Distance
Bon Jovi

THE DISTANCE

Dsus2 - G - Bm - G

Dsus2 - G - Bm - G

Dsus2 **G**
There s a train out in the distance

Dsus2 **G**
destination still unknown

Bm **G**
Far away where no one s waiting

G **G**
so far from home, so far from home

Dsus2 **G**
There s a rose outside your window

Dsus2 **G**
the first snow is falling down

Bm **A**
Like that lonesome whistle blowing

G **A**
I keep on going, keep on going...

Dsus2 **G**
Close your eyes and see my blue skies breaking through these

Dsus2
dark clouds

G
You are the light

Dsus2 **G** **Bm**
In my mind I see your red dress and your arms are reaching through

G
the night

G - G/F# - G - G/F# - G
I ll never give up the fight

G/F
I ll go the distance

Dsus2 - G - Bm - G

Dsus2 **G**
There s a thread that runs between us

Dsus2 **G**
pulling cross this great divide
Bm **A**
It s only there for the believers
G **A**
Don t stop believing, don t stop believing

Dsus2 **G**
Close your eyes and see my blue skies breaking through these
Dsus2
dark clouds
G
You are the light
Dsus2 **G** **Bm**
In my mind I see your red dress and your arms are reaching through
G
the night
G - G/F# - G - G/F# - G
I ll never give up the fight
G/F A5 - B5 - D5 - C5 - C5 - B5 - A5
I ll go the distance
A5 - B5 - D5 - C5 - C5 - B5 - D5
I ll go the distance

(**A5 - B5 - D5 - C5 - C5 - B5 - A5**
A5 - B5 - D5 - C5 - C5 - B5 - D5) -- >and repeating
There s a neverending story that begins with you and I
Like the rose outside your window
C5
Don t let it die, don t let it die

Dsus2 **G**
Close your eyes and see my blue skies breaking through these
Dsus2
dark clouds
G
You are the light
Dsus2 **G** **Bm**
In my mind I see your red dress and your arms are reaching through
G
the night
Dsus2 **G**
Close your eyes and see my blue skies breaking through these
Dsus2
dark clouds
G
You are the light
Dsus2 **G** **Bm**

In my mind I see your red dress and your arms are reaching through
G
the night

G - G/F# - G - G/F# - G
I ll never give up the fight
G/F A5 - B5 - D5 - C5 - C5 - B5 - A5
I ll go the distance

A5 - B5 - D5 - C5 - C5 - B5 - D5
I ll go the distance

A5 - B5 - D5 - C5 - C5 - B5 - A5
I ll go the distance

A5 - B5 - D5 - C5 - C5 - B5 - D5
I ll go the distance

and repeating till the final...
