A                         C#m
I cried and cried every night
                     B
Till I died for you baby
A                         C#m
I tried and I tried to deny it
                    B
Your love drove me crazy baby
E                                    B
If the love that I ve got for you is gone
       C#m                 C#m/B        A
And if the river I ve cried ain t that long
   E                     B
Then I m wrong yeah I m wrong
      A
This ain t a love song

  E
Baby I thought you and me would
             B
Stand the test of time
Bm                          A
Like we got away with the perfect crime
 Am                         E
But we were just a legend in my mind
B
I guess that I was blind

  E
Remember those nights dancing
        B
At the masquerade
  Bm
The clowns wore smiles
   A
That wouldn t fade
 Am                     E
But you and I were the renegades
     B
And some things never change
A                           C#m
It made me so sad  cause I wanted
             B
It band for us baby
A                           C#m
And now it s so sad that whatever we had
           B
Ain t worth saying oh oh oh
```

```
        E                             B
If the love that I ve got for you is gone
        C#m                           A
And if the river I ve cried ain t that long
        E           B
Then I m wrong yeah I m wrong
          A
This ain t a love song
        E                       B
If the pain that I m feeling so strong
        C#m         A
Is the reason I m holding on
          E           B
Then I m wrong yeah I m wrong
      A
