E **B**
I should have seen it coming when the roses died,
D **A**
should have seen the end of the summer in your eyes
Am **E** **B**
I should have listened when you said good night you really meant good bye
E **B**
Baby ain t it funny, how you ever learn to fall

You re really on your knees, when you think you re standing tall
Am **E** **B**
But only fools are know-it-alls and I played that fool for you

[PreChorus 1]

[Verse]

Baby, I thought you and me would stand the test of time
Like we got away with the perfect crime,
But, we were just a legend in my mind I guess that I was blind
Remember those nights dancing at the masquerade,
The clowns wore smiles that wouldn t fade
You and I were the renegades, some things never change

It made me so mad cause I wanted it bad for us baby
Now it s so sad that whatever we had, ain t worth saving. -> Lick 1
