Men and women side by side

**F#5**

Thought we'd be met as liberators

**A5**

In a thousand year old fight

**E5**

I got this painful ringing in my ear

**B5**

From an ied last night  
 F#5  
 But no lead lined humvee war machine  
 A5  
 Could save my sergeants life  
 F#5  
 3 more soldiers 6 civilians  
 A5  
 Need these words to come out right

[Refrão]

E B9  
 God of mercy, god of light  
 F#m A9  
 Save your children from this life  
 E  
 Hear these words  
 B9  
 This humble plea  
 F#m A9  
 For I have seen the suffering  
 E B  
 And with this prayer I'm hoping  
 F#m Am  
 That we can be unbroken
