VERSE 1:
You wanna start a fire?, It only takes a spark
You gotta get behind the wheel?, If you re ever gonna drive that car
If you wanna take a bite, You d better have the teeth
If you re gonna take that step, Then get up off of your knees
PRE-CHORUS:
            C
       Am
Cause tonight, We re alive
CHORUS:
Who ll stand for the restless? And the lonely?
For the desperate? And the hungry?
                Em
                        C
Time for the count, I m hearing you know
For the faithful, The believer
For the faceless, And the teacher
               Em
Stand up and be proud,
What about now?
You wanna start a fight?, You ve gotta take aswing
Gotta get your hands in the dirt, To see what the harvest will bring
```

OUTRO:
We live for our reasons That drift through the seasons
 Till dreams are just pale, dark and grey
And all of your plans, That slip out through your hands
                    (Em, F\#/D, G, A/D, Bm/D)
Are the dreams that you take to your grave
PRE-CHORUS:
        C
              Am
 Cause tonight, We re alive
CHORUS:
Who ll stand for the restless? And the lonely?
For the desperate? And the hungry?
               Em
                        C
Time for the count, I m hearing you know
For the faithful, The believer
