And she don't need to need like the roses, the roses

**D/F#** **G**  
She feels at home with the weeds

**C**  
And just as free as the night breeze

**Em**  
She's got the cool of a shade tree

**A** **D**  
She's growin' on me and I can't live without her

But nobody knows...

Nobody knows... That's right...

**D** **D** **Em** **D** **C**
