Intro

Who s foolin who

All caught up, all worn out
This prison doesn't change
Got to talk, spell it out
Before it's just too late

All the times I didn't see
Even when you cried in front of me
How could I think that I didn't need you
How could you think that I'd ever be untrue

Who's foolin' who
If we don't stay together
We're foolin' our selves
Who's foolin' who
Without you girl
It's a livin' in hell
Who's foolin' who

Are we going pick up the pieces
Just wait til our lease is up

2x
Who's foolin' who
If we don't stay together
We're foolin' our selves
Who's foolin' who
Without you girl
It's a livin' in hell
Who's foolin' who
