I sit alone
                          Am
Dark theater watchin the people go by
hand in hand,
everybody but me
I stay behind, watchin the credits roll by
roll, roll, right right by me.
Chorus:
But I know, I won t cry,
                                                       C
cause there is somebody, somebody, somebody,
waiting for me
         Am
Out in the rain.
     F
Won t cry, not tonight cause there is
somebody waiting for me
I take a walk,
the streets are busy tonight,
        Am
and I am searching for you,
waiting to brush your shoulder
But I m alone
I watch the faces roll by
Roll, roll, roll, right by me.
```
