

Cycles

Bonnie 'Prince' Billy

[C] [Em] [F] [G]

[C] [Em]
So I m down and so I m out
[F] [G]
But so are many others.
[C] [Em]
So I feel like tryin to hide
[F] [G]
My head neath these covers.
[F] [C]
Life is like the seasons,
[F] [C] [G]
After winter comes the spring.
[C] [Em]
So I ll keep this smile awhile
[F] [G] [C]
And see what tomorrow brings.

[Em] [F] [G]

[C] [Em]
I ve been told and I believe
[F] [G]
That life is meant for livin .
[C] [Em]
So even when my chips are low
[F] [G]
There s still some left for givin .
[F] [C]
I ve been many places
[F] [C] [G]
Maybe not as far as you.
[C] [Em]
So I think I ll stay awhile
[F] [G] [C]
And see if some dreams come true.

[Em] [F] [G]

[F] [C]
There isn t much that I have learned
[F] [C]
Through all my foolish years
[F] [C]
Except that life keeps running in cycles.
[F] [Am] [G]

First there s laughter, then those tears.

[C] [Em]
But I ll keep my head up high
[F] [G]
Although I m kind of tired.
[C] [Em]
My gal just up and left last week
[F] [G]
And Friday I got fired.
[C] [Em]
You know, it s almost funny
[F] [G]
But things can t get worse than now.
[C] [Em]
So I ll keep on tryin to sing
[F] [G]
But please, just don t ask me how.
