

Ohio River Boat Song
Bonnie 'Prince' Billy

Intro - A B A B

E

When it s time from work to go

A E

And in my boat I row

A E

Cross the muddy Ohio

B

When the evening light is falling

E

And I looked towards Floyd s Knobs

A E

Where the afterglories glow

A E

And I dream on two bright eyes

B E

With a merry mouth below

A E

She s my beauteous Catarina

A E

She s my joy and sorrow too

A E

Though I know she is untrue

B

Oh but I cannot live without her

E

For my heart s a boat in tow

A E

And I would give the world to know

A E

If she means to let me go

B E

As I sing the whole day through

Electric solo - A B A B

E

Catarina, your lovely hair

A E

Has more beauty, I declare

A E

Than all the tresses there

B

From Smoketown to Oldham County
