Verse: **E Bm A E**

Chorus: **C#m Bm A E**

**C#m Bm A**

2nd Chorus: **E Bm A**

**A E**

**E Bm**

There are things I will not do

**A E**

I will even be mean and cruel

**E Bm**

And I will not stay with you

**A E**

Unless you give me all of yourself

And when I was a sandy blue

In friendship dwelled in western true

Smoke and pill and lovely tune

That was before you gave [a view/of you ?]

And make a future dream be ours

Through your eyes I swallow flowers

And disdain the winter showers

Choosing then to bathe in you

Chorus:

**C#m**

**Bm**

And I sing evil, I sing good

**A**

**E**

I sing as a seagull should

**C#m**

**Bm**

And if you melted then I would

**A**

**E**

Melt myself all into you

2nd Chorus:

**E Bm**

**A**

Can you love the one that God does ?

**E Bm**

**A**

Can you love the lily of the field ?

**E Bm**

**A**

Can you tend the soil inside of her

**A**

**E**

Till all has been revealed ?

/ INSTRUMENTAL " whistling /

And I sing evil, I sing good  
I sing as a seagull should  
And if you melted then I would  
Melt myself all into you

Can you love the one that God does ?  
Can you love the lily of the field ?  
Can you tend the soil inside of her  
Till all has been revealed ?
