

Nobodys Girl
Bonnie Raitt

[Verse]

G **D**
She don t need anybody to tell her she s pretty
Em **C**
She s heard it every single day of her life
D **G**
He s got to wonder what she sees in him
C **D**
When there s so many others standing in line

[Chorus]

Em **F** **G C**
She gives herself to him, but he s still on the outside
C **G** **D** **D** **G**
She s alone in this world, She s nobody s girl
D **G**
She s nobody s girl

[Verse]

G **D**
She shows up at this doorstep in the middle of the night
Em **C**
Then she disappears for weeks at a time
D **G**
Just enough to keep him wanting more
C **D**
But never is he satisfied

[Chorus]

D **Em** **F** **G C**
And he s left to pick up the pieces, wondering what does he do this for
C **G** **D** **G**
She s off in her own little world, She s nobody s girl
D **G**
She s nobody s girl

[Bridge]

G **F** **G**
He said Before I met her, I didn t love nothin.
G **D** **C** **G**
I could take it or leave it, that was okay, but
F **G**
She brings out a want in me
Am7 **D**
For things I didn t even know that I need.

[Verse]

D **G** **D**
She does anything she wants, anytime she wants to
Em **C**
With anyone. You know, she wants it all
C **D** **G**
Still she gets all upset over the least little thing
G **C** **D**
When you hurt her, it makes you feel so small

[Chorus]

D **Em** **F**
And she s a walking contradiction
F **G C**
But I ache for her inside
C **G** **D**
She s fragile like a string of pearls
D **G**
She s nobody s girl

[Outro]

C **G** **D**
She s fragile like a string of pearls
D **G**
She s nobody s girl
D **G**
She s nobody s girl
D **G**
She s nobody s girl
