Intro [A] [E] [F#m]

Well I m [A] calling you
Cause you [E] deserve to know
[F#m] You are not the [D] reason I [Esus4] had to[E] ^ go,

[A] Late at night in the [E] hotel room
I [F#m] think of all I ve [D] lost,
What I ve [Esus4] put you [E] through

And [F#m] if I knew the [E] reason
I would [A] tell [D] you [A] why [E] somehow
The feeling slipped [D] away
I [A] only did what I [E]had to do
Not [F#m] cause I wanted to. [Esus4 - E]

I ve got a guilty heart
And a troubled mind
No matter where I go
You re never far behind

I d like to think^
That you d forgiven me
But forgiveness ain t enough
To wash my conscience clean

Oh if I knew the reason^
I would tell you why somehow^
The feeling slipped away
I only did what I had to do
Not cause I wanted to.
